Safety Reminder

Please **DO NOT** enter our **staff parking lot** between 8am-3pm. Students are often crossing the parking lot before / after school. **We have had several near-misses!**

ARRIVING TO SCHOOL ON TIME

Our school places an emphasis on being on time. It is very helpful and adds success to each child's day when all students are seated by the second bell and classroom instruction can begin without interruption. Arriving on time sets up all our students for success. Thank you in advance for your support and cooperation with this goal. **If your child arrives late, please ensure that they report in at the school office before going to their classroom.**

Please also remember school ends at 2:25pm and there is supervision outdoors until 2:40pm.

Personal Devices at School

We want to remind parents and guardians that students are not permitted to use their personal devices at school (this INCLUDES texting with smart watches).

During school time, including lunch and recesses, personal devices should be in backpacks and smart watches should not be used for any other purpose than to tell time. If a student needs to contact their family, or receive an important message, this should be done via the office.
